LAYOUT:

The villa is organized as follows:

Street Level:

A bright living-dining room with large sliding glass doors that open onto the terrace, garden, and pool. A fully equipped modern kitchen, semi-open to the living room and separated by a sliding glass door with a mirrored effect, adding a touch of elegance.

General Conditions:

The provided information is based on third-party data and is offered for informational purposes. It is presumed to be accurate, but the offer may be subject to inaccuracies, errors, unintentional omissions, price changes, and/or withdrawal from the market without prior notice. Taxes related to the transaction (such as ITP, VAT, AJD), notary and registration fees are the responsibility of the buyer.

Walkway Level:

The master bedroom with access to the terrace and panoramic views.

Another double bedroom with access to the same terrace.

A children's room with four beds, ingeniously integrated into the rock, giving this room a truly original character.

Two bathrooms with showers.

The house is equipped with electric radiators for heating and features double-glazed aluminum windows by the brand Technal. Additionally, it has an outdoor parking area for one vehicle.
