Ultra-premium residence for sale, right on Paseo de la Castellana, Madrid, Salamanca.

Ultra-premium residence right on Paseo de la Castellana, the residential epicenter of various embassies. Situated on the seventh floor of a highly representative building with only one residence per floor, spanning 624 square meters. It features a garage, storage room, concierge service with accommodation on the premises. Enjoying impressive and pleasant views from the terrace, this recently rehabilitated residence is a spectacular new home filled with light, bearing the signature of a unique luxury architecture studio that emphasizes detail and the pursuit of excellence in all its spaces.

The property boasts a grand entrance hall, highlighted by a distinctive interior natural garden. Additionally, there is a spacious living room, a sitting room, an office, a dining room with a concealed

bar, and three fantastic bedrooms plus a service bedroom. The kitchen area, executed by Banni, includes another garden patio with a seating area, laundry room, drying area, pantry, and an extensive breakfast or informal dining area. Noteworthy features also include a Turkish bath, a gas fireplace, hidden speakers, and a comfortable and functional home automation system. All of these elements contribute to making this property a truly unique residence.
